

# Pee Wee Raiders Dominate the Dons

The Raiders used and abused the visiting Carmel Valley Dons. Last week's victory put the "Supa Pee Wee" Raiders at 3-0, and they are showing no signs of slowing down.

Oposing teams are finding out every week that it is hard for the Raiders to lose; they have some remarkable talent: Jessie Ducan, Kevin Banks, Bashier Jones, Jalen Jeanty, Jordan Howden, Terie Webster, and Zion Oubra are just some of the 'ballers' who put in work for the undefeated "RAID". Balboa's crafty tailback, Jordan Howden, torched the Dons for four touchdowns, totaling twelve for the season.

"I kind of knew we were going to beat them down and we did. They were not

that good, and we have a real good team. We have good coaches and fans and I want to dedicate this game to my uncle (former Raider) Michael Taylor R.I.P.," said Raider's superstar Jordan Howden.

After their victory over Mt Carmel, Raider Coach Bashieff Jones told his victorious Raiders, "listen up guys, you did a good job today, and I want everybody to enjoy it for the next 48 hours, and then it's back to work. We still have some things to work on, so I want to see everybody at practice. We got to get better. There are teams out there gunning for us. Ee got to be ready."
